SOUTHERN SKYLAND REGIONAL HEALTH INSURANCE FUND EXECUTIVE DIRECTOR'S REPORT JULY 14, 2020

FINANCIAL REPORTS - SOMERSET COUNTY INSURANCE COMMISSION

- 1. Somerset Commission Financial Fast Track as of May 31, 2020 (page 3)
- **2.** Skyland Fund Financial Fast Track as of May 31, 2020 (page 4)
- 3. Ratios Report as of May 2020 (page 5)
- 4. 2020 Cumulative Budget as of June 2020 (page 6)

CLAIM FUND STATUS

Claims are higher than budget, even with elective services being postponed during the COVID – 19 shut down. With the Fund in early years and uncertainty of this unusual situation in 2020, we are watching the cash flow on a weekly basis. We have started digging into the increase in claims and summarized the current status below:

- The 2020 claim fund was established by the actuary based upon claims experience through 6/30/2019. However, a retrospective review of claims experience indicates that claims began to rise after the period of claims that were used to project the current budget. See attachment on Page 7.
- Please note that the reduction in the claims budget in January of 2020 was caused by the establishment of the Medicare Advantage program. That is, Medicare retirees were placed in a fully insured plan and are no longer part of the self-insured claims program.
- Claims dropped in May of 2020, ostensibly because of service deferrals associated with the Covid-19 crisis.
- Due to the higher claims experience through April of 2020, we are taking the following steps:
 - 1. Cash flow tracking reports for 2019 and 2020 will be included in agendas as part of the financial fast track reporting process. These charts compare estimated claims paid and estimated cash balances to actuals on a monthly basis. See attachments on pages 8 and 9.
 - 2. We have constructed cash flow models through the end of 2020 using three assumptions regarding claims spend:
 - Claims spend will match the budget illustrates that cash balances would be adequate.
 - Claims spend will match the average of the past 7 months illustrates possible cash flow challenges until 2021 rates are established

- Claims spend will match the average of the past 5 months illustrates possible cash flow challenges until 2021 rates are established. See Page 10
- 3. Cash flow projections are complicated by the Covid-19 crisis which can lead to lower claims in the short run, but higher claims in the future.
- 4. This projection will also be provided until further notice in the agendas.
- 5. We have asked the actuary to begin the process of projecting 2021 claims. This process will include has analysis of the adequacy of 2020 rates.
- 6. Consider transferring surplus from the Commission to HIF to allow for additional cushion.

AUGUST SUB-COMMITTEE MEETING

The next public meeting is scheduled for September 8. Prior to that, there are a few topics that we would like to discuss in further detail with a subcommittee:

- 1. Health Center Reciprocity Integrity Health is requesting an option to allow access to all eligible members to any of the Partnership Health Centers in the state Toms River, Long Branch, Brick & Somerville. We would like to review the financial and logistical feasibility provided by Integrity.
- 2. Health Center RFP Update The RFP for the Health Center administrator is due at the end of July. We should have at least some preliminary results or a possible recommendation to present.
- 3. Professional Service RFPs RFPs have just been received and there are competing responses for Actuary, Auditor and Attorney. We will provide the responses and review with the committee.
- 4. Claims and Finance update through 7/31
- 5. Preliminary 2021 Budget Review we should have projections back from the actuary for the 2021 medical and prescription claims.

We ask for volunteers to join this committee that are available mid-August.

BYLAW AMENDMENT

The Fund has received resolutions from 75% of our membership to approve the bylaw amendment. Appendix II includes the final approval submission that was sent to the State. Resolution 15-20 approves the amendment and is included on page 11.

EXPRESS SCRIPTS UPDATE

Pharmacy Network Update- Effective August 16, 2020, Sam's Club Pharmacies will no longer be part of the standard networks of pharmacies ESI offers to our clients. Based on claim data from the past year, there were no impacted Fund members.

LEGISLATIVE UPDATES

"Back to Work" COVID-19 Tests - Insurers are not required to cover COVID-19 tests that employers may mandate as they bring employees back to work. The Families First Coronavirus Response Act (FFCRA) requires insurers to cover COVID-19 tests without patient cost-sharing, but guidance clarified that the law only applies to tests that are deemed "*medically appropriate*" by a healthcare provider. This latest guidance suggests that if an employer does mandate employees be COVID-19 tested as a requirement of return to work, it is not required to be covered by insurance. The attached flyer was recently distributed to Fund members.

PCORI Fee Update - As previously reported, the PCORI fee has been extended for another 10 years through September 30th, 2029. As a courtesy, the SSRHIF pays the PCORI fee on behalf of Fund members.

NJ Senate Bill 2273/A20 – *Educator's Health Benefit Fairness Act* – Passed by Assembly on July 1, 2020. The Executive Director and Program Manager offices have been closely following the legislation and preparing for implementation on January 1, 2021. We will be working with the Vocational School's Risk Manager and leadership to assure compliance with all components. Key Legislative Components:

- Requires SEHBP and eligible employers that do not participate in the SEHBP to provide certain plans for public education employees and certain public education retirees.
- Requires these plans be offered to public education employees at a salary-based contribution schedule, which will be an alternative to Chapter 78.
- The first plan, NJ Educator's Health Plan must be offered on January 1, 2021
 - A special open enrollment will be held for School Boards in the fall
 - All new employees hired after July 1, 2020 will be required to enroll in the *Educators Plan* on January 1, 2021.

ADMINISTRATIVE AUTHORIZATIONS

There are no appeals or authorizations to report.

July 2, 2020

Dear SSRHIF Committee Members & Member Entities:

As employers begin to establish return to work protocols, we are receiving questions concerning the Fund's coverage of employer-mandated COVID-19 testing. Based on recent guidance issued by Federal Administrative Offices (Health & Human Services, Department of Labor and Department of Treasury) COVID-19 testing required by employers as they bring employees back to the workplace, is not mandated to be covered by health insurance plans.

Accordingly, the Fund will continue to cover COVID-19 testing that is deemed medically appropriate by a healthcare provider following CDC guidelines but, *will not* be covering COVID-19 employer-mandated testing required for returning to the workplace.

Sincerely,

Conner, Strong, and Buckelew Office of the Program Manager, SSRHIF

EXECUTIVE DIRECTORS REPORT

FINANCIAL FAST TRACK as of February 28, 2020 – Executive Director reviewed the financial fast tract for the SCIC and SSRHIF. She said through 2019 the Commission stayed above the IBNR budget with a gain of about \$350,000. She said there is current a deficit for the HIF of about \$583,000, however if this was a typical Fund with all fund years combine it would be only a loss of about \$230,000. She said claims are running just about on budget, and the IBNR is still slightly overstated. She said March still looks slightly higher but April looks to be below budget as are most HIF's across the state.

Executive Director said there was a Covid report distributed from Aetna and Mr. Silverstein will review during his report.

2019 SOMERSET COUNTY INUSRANCE COMMISSION AUDIT – Executive Director said Mr. Patel and Mr. Daly from Mercadien are on the call to present the 2019 Audit. Mr. Patel provided an overview of the 2019 Audit. He said there are no comments or recommendations and has an unmodified opinion. Mr. Daly said the net position is down slightly when compared to the prior year. He said there was an operating loss of \$760,000. He said however there was nothing out of the ordinary for the current year.

MOTION TO APPROVE RESOLUTION 12-20 ACCEPTING THE 2019 AUDIT ON BEHALF OF THE SOMERSET COUNTY INSURANCE COMMISSION AND FILE WITH THE STATE.

MOTION:	Commissioner Auger
SECOND:	Commissioner Soriano

MOTION TO ISSUE AND ADVERTISE REQUESTS FOR PROPOSALS FOR PROFESSIONAL SERVICES CONTRACTS ON BEHALF OF THE FUND FOR ACTUARY, AUDITOR AND ATTORNEY.

MOTION:	Commissioner Auger
SECOND:	Commissioner Soriano
VOTE:	All in Favor

RISK MANAGEMENT PLAN – AMENDMENT – Executive Director said an internal review of the enrollment process was performed and found that the process of partial month transactions was not consistent across all of our Funds. In order to synchronize enrollments with accounts payable, we are recommending the following standard 'rule' for rate charging for enrollments during any given month:

22.) PARTIAL MONTH ENROLLMENTS

When processing enrollments and terminations, the Fund will charge a member for a full month rate for an employee that is enrolled between the 1st and the 15th of the month, but will charge the member in the following month if an enrollment occurred between the 16th and the 31st of the month. LEGISLATIVE UPDATE

New COBRA Regulations – Due to the COVID-19 pandemic, the Department of Labor (DOL) and the Internal Revenue Service (IRS) recently issued guidance for group health plan sponsors regarding deadline extensions for COBRA, Flexible Spending Accounts (FSAs), and Health Reimbursement Arrangements (HRAs). The extended timeframes are intended to assist employers, employees and dependents who may have difficulty meeting standard timeframes associated with COBRA. The new ruling establishes an "Outbreak Period" defined as beginning with the declaration of a National State of Emergency on March 1, 2020 running through the duration of the Emergency plus a 60-day period following the date the National State of Emergency ends. At this time, an end date has not been specified for the National State of Emergency so the "Outbreak Period" cannot yet be determined.

The DOL guidance provides the below timeframe extensions derived by disregarding the Outbreak Period:

- Extension of the 30-day and 60-day special enrollment timeframes
- Extension of the 60-day COBRA election period
- Extension of the 45-day initial premium payment timeframe
- Extension of the 30-day grace period for subsequent premium payments
- Extension of the 60-day COBRA notification timeframe

The chart below compares the current time-frames with the new guidelines.

COBRA NOTICE/EVENT	PRE-PANDEMIC	CHANGE
Initial Notice of COBRA Rights	Within first 90 days	Clarification required
Election Notice	Within 14 days of Qualifying Life Event	Clarification required
Election Period	Within 60 days	60 days after the end of the "outbreak period"
Initial Payment	Within 45 days	Within 45 days after the end of the "outbreak period"
Grace period for non- payment	30 days	30 days after "outbreak period"

We are working with the Fund's COBRA administrator, Benefit Express to ensure they are taking the necessary measures to comply with and administer the new timeframes for eligible lines of coverage administered by the Fund. We will provide updated information and correspondence when they are available.
